

⚠️ □ ** COVID-19 CORONA VIRUS UPDATE ** ⚠️

Following the many messages of concern and affection received by our collaborators and international customers, we are with this message to signal that the situation of the corona virus in Italy is serious but under Health Authority control.

Companies are continuing to work and people are living normally with care and attention between people.

In compliance with the directions provided by the Health Authorities, we have taken steps to implement all precautionary measures to protect our staff and all those involved in our work.

We want to ensure that in Conceria Leonica Spa all employees are in excellent health, we are continuing to work and guarantee our customers all our delivery programs.

There are no limitations in the shipment of leathers and delivery times are honored, we are not facing any troubles with logistics.

Our commercial, purchasing and technical departments are fully operational and available for any request.

We are constantly monitoring the evolution of the situation, without unnecessary alarms in a positive way.

Thanks to everyone for the interest shown and a wish that this situation will be resolved at soonest.
